ONE DAY OF FREE DENTISTRY

Never put your dental care needs on the back burner. During his first Dentistry From The Heart Event, **Dr. Kelvin Choi** and his volunteers hope to give back to the community by helping people in need of dental work but have no means to afford them. Following a screening examination, participants will receive one of the following services: **filling, extraction, or cleaning.**

Ages 18 and Up

7:30am-6:00pm

First come, first serve.

No pre-registration.

FREE PARKING.
